Accessing EBSCOhost Research Databases

1. Connect to the internet
2. At the address bar, type
   http://vl.bryantstratton.edu
3. If you are asked for a Password:
   Login: BID#
   Password: format that is established for your e-mail
4. You will get this screen which searches all B&S resources at once
5. Go to the “Advanced Screen” to limit your search
6. If VL is DOWN
   Use the following direct link: EBSCO
   http://search.ebscohost.com/login.aspx
   Login: BSC
   Password: BSC

To access only the Catalog, and the Hampton Library Homepage click on the Hampton Link
You will get this screen:

- Select and click on EBSCOhost Web
- OR
- Points of View
• Select one or more databases by clicking on the box next to the title of the database. The descriptions will help you to choose the most appropriate ones for your topic.

• Click on Continue
• Enter search terms

• Select appropriate modifiers

• If you need to, narrow your results down by clicking boxes in the left column

• Click on option to view the full text of your article (pdf or html)
• View your article.
• You may print or email the article from here, using the icons on the right of the screen.

• You may email to your school or personal account.
• Be sure that the APA citation format is selected.

Need assistance? See your Campus Librarian, or access QuestionPoint: Ask a Librarian on the main Virtual Library page, for 24/7 help with your research.
