Smarthinking Access thorough Black board

Attention students;

You can access Smarthinking through Blackboard Courses

Username: Your Banner Identification Number (BID#) email address
Password: First two letters of your last name (first letter capitalized) followed by your eight digit date of birth and the hash tag or pound symbol (#).

Here's an example:
Student, Joseph Smith with a BID of B00123456 whose birth date is 01/30/2012 would use the following:

USERNAME: B00123456@bryantstratton.edu
PASSWORD: Sm01302012#

If you change your password after your first login, it will only be retrievable by you by clicking the “Forgot Password” on the login page of Smarthinking. There you can retrieve it by clicking “forgot password” on the login page and chose the Username and/or Password and it will be emailed to you. You will have to enter their email address as the BID@bryantstratton.edu since that is the email on record now.
