Ordering Textbooks

Note: Students who have arranged to have enough financial aid to cover the cost of their books through the online bookstore are able to bill their student account in the bookstore’s checkout.

To view your courses’ required materials and/or place an order in the online bookstore, please follow the steps below. If you would like help placing an order, please see a campus librarian.

The online bookstore works best using Chrome (rather than Internet Explorer)

1) Visit https://bsbooks.bryantstratton.edu or you can enter the bookstore through Blackboard
2) Click “Sign In”
3) Enter your Student ID number (i.e. B00#######). Then, follow the prompts—the system will require you to enter your date of birth and to create a password. **New students must enter birthdate information in the following order using the calendar: YEAR, MONTH, DAY.**

4) Click the orange banner at the top of the screen that reads “Get my textbooks for this semester”

5) Click the “Please select a semester” drop-down field to select the semester in-question
6) The system will display all of the materials **required** for your classes. Select all of the materials that you would like to add to your order. Afterwards, click the button at the bottom of the page to continue.

Note: Only textbooks and merchandise required for a course can be charged to your student account.
7) Click “Checkout Now”
8) Always select the **ground shipping** option when ordering through the bookstore—your package should arrive within three business days. To continue, click “Select Shipping Method”.

View your completed bookstore orders and/or any open order’s shipping status under “My Account.”

*When your materials arrive, we suggest that you do not open plastic-wrapped materials until after you attend your first class. Unwrapped materials CANNOT be returned. Any items you wish to return should be taken to the campus’s library with your shipping receipt. A campus librarian will handle the matter.*
