Dean welcomes new, returning students

By Andrea Pallone

Hello and welcome to fall semester! Fall has always been my favorite time of year. I truly enjoy the fall foliage, the cooler temperatures, football games, and traveling to the local orchards for apple and pumpkin picking with my husband and two kids. I am very excited to get to know you and have the privilege of guiding you on your educational journey towards graduation.

You have chosen to pursue an important academic achievement. If at any time during your journey towards graduation you experience difficulty, please make sure that you reach out to your academic advisors as well as your instructors. Our staff here at the North Campus has many years of experience and can assist you with personal tutoring in your classes and support with problem solving outside of the classroom.

We are here to assist you!

I am honored to be your Dean and serve as your partner along the way. If at any time you have a concern, please feel free to contact me: ampallone@bryantstratton.edu. I wish you all the best of luck as your travel along your educational journey.

My best,
Andrea Pallone

The Learning Center Welcomes You

The Learning Center is your place to go if you need a peer tutor, have questions about the online bookstore, or need to make up a test that you missed. Students who require testing accommodations (such as having their tests read or needing a separate location) should also come to the Learning Center. Last but not least, the Learning Center is also a great place to get your work done. Our computers are always available for student use.

The Bryant & Stratton College women’s soccer team began its season in style, topping Cazenovia College (NCAA DIII) 2–0 on Friday, September 2nd. The contest was the first of two back-to-back games against NCAA DIII programs for the Bobcats. The 2–0 win came on the heels of two goals from Kai Jacobs (Sr., Antigua & Barbuda). BSC controlled possession early and dictated the pace of the game with a great deal of aggressive play. Both of Jacobs’ goals came from distances thanks to the strong build-up play from the Bobcats. Trailing 2–0 at the half, Cazenovia was unable to mount a comeback as the Bobcats closed out a strong defensive game thanks to a quartet of saves from Megan Hagadorn (Sr. Schoharie, NY) and steady play from the BSC back line.

Bryant & Stratton College’s second contest came Saturday, September 3rd against SUNY Poly, a game in which the Bobcats needed stout defense and even better goal tending to escape with a 0–0 draw. Like their season opening contest, the Bobcats established control early in the match but Poly slowly came back in control. Unlike the previous evening, the Bobcats were unable to break through with a first half goal which led to a tense second half in which Poly turned up the pressure. Poly peppered Hagadorn with chances over the final 45 minutes. Hagadorn was there to answer, turning away all 13 shots she faced and securing her second straight clean sheet of the year.

“We have only been practicing for six days,” said head coach Alex Grigoritta. “We knew we wouldn’t have enough fitness yet and it would be challenging for us to keep high intensity for the both games. These games were extremely important for us in order to see if the players understand our ideas and the system we are trying to play. The coaching staff learned a lot and we will make some adjustments that will make us stronger.”
Everything is better with a group of friends to support you! We are here with you every step of the way. Why not continue to build that support system? Know anyone who you believe could benefit from what we do here?

Let Admissions know! Give a friend the opportunity to build their support system, while you build yours. Stop by Admissions with the name and number of your next supporter. We will always be your biggest Cheerleaders!

*We are still enrolling for the Fall Semester through September 19th.*

The Bryant & Stratton College men’s soccer team, the USCAA National Champion Runner-Up, opened up its 2016 campaign with two shutout victories to improve its record to 2-0.

The Bobcats blasted Davis College 7-0 to open its season Friday. Sept. 9. Shakhzod Bobakalonov (Brooklyn, NY) headed a corner kick 20 minutes into the game and put the Bobcats on the score sheet. The Bobcats went on to outshoot their opponents 25-0 and added 6 additional goals to secure their first victory of the season.

On Sunday, the Bobcats flexed their muscles as they soundly defeated NJCAA’s national powerhouse Massasoit Community College 2-0. Gonzolo Gili Balaguer (Spain) scored on a trick play early in the game. The game was a hard-hitting, back-and-forth battle between two heavyweight contenders. The Bobcats’ stingy defense controlled the play and never allowed anything dangerous to develop. Mattieu LaRoux (France) provided the insurance goal to seal the team’s second victory of the season. The Bobcats next travel to the state capital and face the Albany College of Pharmacy Panthers at 7 pm Thursday, Sept. 15.

“I am very proud of the outcomes from the past weekend and feel that our young team has gained valuable experience by playing against an elite program in the country,” Coach Nick Dimitrievski said.

Coach Dimitrievski

Saturday, September 3, marked the beginning of the 2016 Bryant & Stratton Cross Country season. On a deceptively warm day, the Bobcats opened the season at the LeMoyne College Alumni Invitational. Amid stiff competition, Bryant & Stratton runners performed very well.

With an impressive time of 26:06, standout runner and newly named team captain, Brandon Moore improved over his previous year’s time by an impressive 32 seconds.

“His effort was truly outstanding,” said Coach Ryan Johnson. “Brandon’s positive attitude, strong work ethic, and athletic ability continue to impress me.” Freshman runner Ashton Miller put in a strong showing, finishing with a time of 27:03 in his first collegiate meet.

Several Bobcats competed in their first ever cross country meet on Saturday. Eddy Peloquin, Raekwon Darby, Nick Johnson and Keianah Greene all performed very well. “I am impressed with all of our athletes,” Coach Johnson added. “Conditions were a little difficult, but each runner exceeded my expectations. The entire team shares a positive attitude and a very strong work ethic.”
