It’s Time to Register for Fall Classes

Believe it or not, it’s already time for continuing students to register for the Fall 2017 Semester. The Student Services team will be stationed in the student lounge from Monday, July 17, to Thursday, July 20. Official registration hours will be from 8:30 am to 6 pm on all four days.

Make sure you’ve been cleared by Financial Aid before proceeding. After that, you can just stop by the student lounge, where you will be helped on a first-come, first-served basis. No appointment is necessary, and any advisor will be able to assist students in all academic programs.

And there’s an added bonus: students who register next week will get their very own Bryant & Stratton T-shirt!

Campus Enjoys Spirit Week

Spirit Week was held at Syracuse North during June 26 to June 28. On Tuesday, the theme was “Celebrating America.” Joining in the fun were, from left, medical students Taryn Lafflin, Stephanie Shippers, Lisa Green, Amanda LaChut, and Kaylee Eldred. Kneeling in front is Sofiya Pashchuk. See pages 3 and 4 for more Spirit Week photos.
Steven Kempisty, program director for paralegal studies, is shown with the Certificate of Congressional Recognition he received from the office of Congressman John Katko. The award recognizes his role as an outstanding director of legal studies, as well as his dedication to students and his support of the local veterans community.

When applying for employment opportunities, it is imperative that you include a resume (as well as a cover letter and reference page). Tailoring your resume and cover letter to the position for which you are applying is necessary to increase your chances of being considered for the position. There are sample tips and resumes available in the career center but we wanted to share with you a pictorial on some things to keep in mind. Please see Chris or Kristine in Career Services with any questions.
